Welham Hall & Bassingbourn

Welham Hall & Bassingbourn

A warm and comfortable welcome awaits with ample character thanks to the use of re-claimed architectural materials - giving each room its own unique feel.

Welham Hall has extensive views of the golf course through its beautiful windows that were salvaged from Welham Hall and The Bassingbourn features eye-catching wooden floors reclaimed from Bassingbourn Barracks near Royston and with 3 stunning Chesterfield sofas your guests are certain to feel at home.

Our gorgeous statement tables in Welham Hall have been made with reclaimed doors and the legs which, believe it or not, were once spindles on a grand staircase at Whittlebury Hall!

We are licensed for up to 100 people with a licensed bar and optional catering.

The rooms will comfortably seat 50 dining guests

The Jetty

If you are searching for a breathtaking outdoor venue for
- look no further!

The Jetty has been lovingly created to offer a stunning blank
canvas for parties and weddings.

A rustic decked area seats up to 80 guests and leads out to
the Jetty which supports a shelter created by a local
chainsaw artist.

Take the flagstone steps up to the top tier party lawn and
enjoy the view!

Make it your own, from the marquee/teepee/yurt to your
favourite food and entertainment and we'll provide the
space for you to do it!

The Jetty and its surrounding gardens are beautiful all year
round and can be hired on its own or alongside our indoor
venue if you are concerned about the weather.
