

DOG POLICY

ALL VISITORS

Dogs are very welcome at Colmworth but all visitors need to be aware that our business is also our home and our dogs can sometimes be found around the premises without a lead – while we do our best to stop them from saying hello - sometimes it can't be avoided. If your dog doesn't like socialising with other dogs it is recommended they don't visit.

LEADS

Dogs must be kept on a lead at all times.

MESS

Being an environmentally conscious venue we advocate "flick it with a stick" into a nearby hedger-ugh area as this means there isn't any unnecessary plastic use.

If this isn't appropriate, please collect and dispose of responsibly.

CAFE

Dogs are more than welcome to visit our cafe, both indoors and outdoors. Please do not let your dogs sit on the furniture. We have a selection of dog beds by the main entrance for you to use.

If you would like a top up of water for your dog please ask.

Dog treats are available.

If your dog is being exceptionally noisy and disturbing other customers you may be asked to leave.

ON THE GOLF COURSE

It is a member privilege to bring your dog with you to play golf. Please inform us if you intend to do so and we will add a note to your tee time.

Well behaved dogs are permitted to join members tee times before 7:30am and after 12 midday - avoiding peak playing times.

Please keep your dog on a lead/under control at all times and do not allow them to chase the wildlife.

Always clear up after your dog and dispose of responsibly.

If your dog is being exceptionally noisy and disturbing other golfers you will be asked to leave the course.

Please be mindful of the robot mowers and don't leave your dog unattended.
